

Prime Fasteners Stainless Steel & Galvanized 1M **pocket packs**

Prime Do-It-Yourself Brad Nailer F50BDIY

Professional Brad Nailer LNF50AC

From the Jobsite Professional to the Weekend Warrior, Our Prime Plastic Pack Fastener line was created for the projects that don't need the quantity of our contractor sized boxes but demand the quality of Prime's high grade galvanized and stainless steel products. We're excited to offer you stainless steel fasteners and we hope you're just as excited when you drive the first fastener.

16 Gauge
Straight
